

Meal Plan Terms and Conditions

2023 – 2024 Meal Plans

The University requires students residing in Chestnut Hall to have a mandatory residential meal plan. By signing up for a meal plan, you have confirmed that you reviewed and agree to the meal plan terms and conditions. To choose a mandatory meal plan, residential students should log into dining@na.edu. Meal plan fees are determined per semester, and any selections made during the fall semester will automatically carry over to the spring. Students who do not plan on having a meal plan for the spring semester must cancel their meal plan selection before the first day of the spring semester. Only commuter and residential students who have terminated their housing agreement before the spring semester are eligible for this option. Students who experience issues with canceling their meal plan must send a written request to housing@na.edu to assist with a manual meal plan cancellation prior to the first day of the spring semester.
