	2. Senate minutes restoration: Dr. Abu-Raqabeh shared his concern about
	previous meeting minute documents missing from our database. Dr.
	Taban explained that although I.T. had investigated the issue internally
	and through Microsoft, both parties found that no files were deleted.
	Although none of the missing files were recovered, Dr. Abu-Raqabeh informed the senate that he had copies to replace the missing files.
	3. Class cancellations due to weather etc: Dr. Taban explained the
	procedure. When there is concern about class cancelation, NAU admin
	keep a close watch on how other institutions proceed, but also consider
	how many students and faculty are affected by each situation. If 70% are
	not affected, the school will not close. In those cases, each faculty
	member should evaluate and decide whether to cancel class or not.
